Wyandot County Transportation Guide

Welcome to the first edition of the Wyandot County Transportation Resource Guide. This publication is made available through funding from ODOT and partnerships with local stakeholders who serve on the Wyandot County Transportation Coalition. The coalition was formed in order to build a strong network of transportation professionals who work together to address the diverse transportation needs of the community. Our hope is that safe, affordable, dependable and accessible county-wide transportation services shall continue and grow as the needs of the county change.

The Wyandot County Transportation Coalition extends an invitation to any organization or individual who would like to be part of this group. For more information, please contact Pam Zimmerly, Mobility Manager at HHWP Community Action Commission, at 419-957-6850 or pzimmerly@hhwpcac.com.

The mission of HHWP Community Action Commission is to reduce the conditions of poverty by providing comprehensive services to improve lives. Visit www.hhwpcac.org for more information.
